Thank you for continuing to partner with Opaa! Food Management!

I would first like to introduce myself, I am Stacie Stine, the new Director of Nutrition Service. I have worked with Opaa! for 11 years and am excited about my new district family. I live near Bonner Springs, and am loving all the new interaction with staff and students in this district.

We have had such a great start to the year!! The cafeteria staff has been enjoying serving our students and staff. We love to have fun with a purpose. While the staff is learning new ways of doing things, they remain positive and open.

We have a few events coming up in November. We will be having a Thanksgiving feast at Carbondale on Wednesday November 15th and at Overbrook on Thursday November 16th. We are excited to prepare wonderful food and see members of the community share the meals with family and friends.
