

USD 434 Santa Fe Trail Technology/Internet Acceptable Use Policy

Santa Fe Trail USD 434 is committed to providing meaningful learning activities for all students. We view the use of electronic devices as central to the delivery of our educational programs and an essential part of our students' learning experiences. To that end, students in PreSchool- 1 will be assigned an iPad and grades 2-12 will be assigned a Chromebook for the school year. Students will be required to review the Acceptable Use Policy for all district technology, and they and their parent/guardian must sign the Acceptable Use Policy form prior to receiving their device. All devices will be returned in satisfactory condition at the end of each school year for maintenance and summer storage.

The district has strict policies regarding Internet and Email usage, Cyberbullying, the Network, and Security. This information is contained below and can be found on the district website. In the student handbook of each building, information regarding the care and maintenance, building expectations, policy on damage, repair, missing or stolen devices, and the usage fee will be published. Again, the signature page of this document must be completed and on file with the office before students will receive their device.
