

SFT ACTIVITIES FUNDRAISING 2013 -2014

Dance Team

The board has already approved the Dance Team in selling Charger Decals and Casey's Pizza Cards at the last board meeting. These should be added to the list for next year as well. We would sell the Decals and Pizza cards between May –August. Profits from the sales help the members of the team pay for uniforms and camp for the season.

We also sell Brochures which was on the previous list. This is done in May. All profit helps with uniform costs.

We also hold a Kiddie Dance Camp during football season. All profit helps with uniform costs.

FBLA

SFT-FBLA will continue to sell Cookies once a week after school. We would like the option to have a 'door to door' fundraiser this spring AFTER our state conference March 27—just in case there are a number of students that qualify for Nationals.
