Note: The reader is encouraged to review the following regulations and forms for related information.

Homeless Student Regulations

Required by Federal and State Law

NOTE: This document **MUST** be approved by board action to become policy. File with clerk, distribute to principals, and duplicate as necessary in district newsletters and other documents.

Homeless students shall, by definition, include the following:

1. Children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals.
2. Children and youth who have a primary nighttime residence that is a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings.
3. Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.
4. Migratory children who meet one of the above-described circumstances.

Enrollment/Placement (See JBC)

The district, according to the child's or youth's best interest, shall either continue the child's or youth's education in the school of origin for the duration of homelessness in any case in which: 1) a family becomes homeless between academic years or during an academic year; and 2) for the remainder of the academic year, if the child or youth becomes permanently housed during an academic year; or enroll the child or youth in any public school that nonhomeless students who live in the attendance area in which the child or youth is actually living are eligible to attend.

School Stability

In determining the best interest of the child or youth, the district homeless student liaison shall:

- 1) presume that keeping the child or youth in the school of origin is in the child's or youth's best interest, except when doing so is contrary to the request of the child's or youth's parent or guardian, or (in the case of an unaccompanied youth) the youth;
- 2) consider student-centered factors related to the child's or youth's best interest, including factors related to the impact of mobility on achievement, education, health, and safety of homeless children and youth, giving priority to the request of the child's or youth's parent or guardian or (in the case of an unaccompanied youth) the youth;
- 3) if, after conducting the best interest determination based on consideration of the presumption in clause (1) and the student-centered factors in clause (2), it is determined that it is not in the child's or youth's best interest to attend the school of origin or the school requested by the parent or guardian, or (in the case of an unaccompanied youth) the youth, provide the child's or youth's parent or guardian or the unaccompanied youth with a written explanation of the reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth, including information regarding the right to appeal such determination; and
- 4) in the case of an unaccompanied youth, ensure that the district homeless student liaison assists in placement or enrollment decisions under this subparagraph, gives priority to the views of such

unaccompanied youth, and provides notice to such youth of the right to appeal.

Immediate Enrollment

The school selected shall immediately enroll the homeless child or youth, even if the child or youth:

- 1) is unable to produce records normally required for enrollment, such as previous academic records, records of immunization and other required health records, proof of residency, or other documentation; or
- 2) has missed application or enrollment deadlines during any period of homelessness.

Relevant Academic Records

The enrolling school shall immediately contact the school last attended by the child or youth to obtain relevant academic and other records.

Relevant Health Records

If the child or youth needs to obtain immunizations or other required health records, the enrolling school shall immediately refer the parent or guardian of the child or youth, or (in the case of an unaccompanied youth) the youth, to the district homeless student liaison, who shall assist in obtaining necessary immunizations or screenings, or immunization or other required health records.

Records

Any record ordinarily kept by the school, including immunization or other required health records, academic records, birth certificates, guardianship records, and evaluations for special services or programs, regarding each homeless child or youth shall be maintained so that the records involved are available, in a timely fashion, when a child or youth enters a new school or school

district and in a manner consistent with the Family Educational Rights and Privacy Act. See policies JR through JRD.

Enrollment Disputes

If a dispute arises over eligibility, school selection, or enrollment in a school:

- 1) the child or youth shall be immediately enrolled in the school in which enrollment is sought (whether sought by the parent, guardian, or unaccompanied youth), pending final resolution of the dispute, including all available appeals;
- 2) the parent or guardian of the child or youth or (in the case of an unaccompanied youth) the youth shall be provided with a written explanation of any decisions related to school selection or enrollment made by the school, the local educational agency, or the State educational agency involved, including the rights of the parent, guardian, or unaccompanied youth to appeal such decisions; and
- 3) the parent, guardian, or unaccompanied youth shall be referred to the district homeless student liaison, who shall carry out the dispute resolution process as expeditiously as possible after receiving notice of the dispute.

Placement Choice

The choice regarding placement shall be made regardless of whether the child or youth lives with the homeless parents or has been temporarily placed elsewhere.

Privacy

Information about a homeless child's or youth's living situation shall be treated as a student education record, and shall not be deemed to be directory information, under policy JRB.

Contact Information

Nothing shall prohibit the district from requiring a parent or guardian of a homeless child or youth to submit contact information.
