Giving Tree

Overbrook students and staff worked together to gather donations for families in need. With the donations of ham from O'Bryhim's Thriftway, we were able to provide a nice Christmas dinner for several of our families.

Reward movie

The students enjoyed an afternoon of popcorn and movie on December 6th as a reward to filling the OAC Bucket. The bucket program which we started in September rewards students for good character traits. As the students are caught making good choices they earn cotton balls for their classroom bucket. When the classroom bucket is full, they earn a small class prize, along with dumping their class bucket into the big OAC bucket. We have seen an improvement in behavior as the buckets have been filling up.

Germs, everywhere!

We had a lot of illness at school the month of December. On December 6th we had over 40 students absent. We have been keeping everything as clean as possible and our hope is after winter break a lot of the illnesses are gone.

Music Programs

The kindergarten and first grade music programs were on December 12th. Both programs went really well, and the gym was packed full!

Santa's Workshop

Santa's workshop was a great success as all students were given a chance to participate. A big thank you to all the parent helpers!
