

OVERBROOK

ATTENDANCE CENTER

202 W. 7TH OVERBROOK, KS 66524

To: Dr. Steve Pegram and Board of Education
From: David Fernkopf, OAC Principal
Date: February 7, 2014
Subject: February Building Report

Sock Hop Grandparent day

Overbrook students invited their grandparent to school on Friday, February 7th. However, with the bad weather the Sock Hop has been postponed until April 17th.

Book Fair

The Scholastic Book fair is open the first two weeks in February at OAC. The staff and students are always excited to see what new books are available.

In-service

On January 20st, we had our teacher in-service at OAC. We started with all of district staff here as we went over the teacher evaluation system. OAC staff then had a couple hours of technology share. Teachers shared how the iPads were working in their classrooms along with their favorite apps. The teachers were able to get some great ideas from this technology time. The afternoon was dedicated to BYOC, as the staff pushes forward to complete the Math portions of the curriculum.

Kansas Day

On January 29th we celebrated Kansas day in our classrooms. Each grade level did different activities with the students to celebrate Kansas's birthday. Activities included crafts, singing, and learning about different Kansas symbols.

100th Day of School

We will be celebrating our 100 days of school next week. Our students at OAC will do a lot of activities celebrating our accomplishment so far this school year.

Fill A Bucket

Students' behavior has been going well, and the students have filled the OAC bucket again. They will be rewarded with a popcorn and movie party at the end of this month. We are really excited about the great behaviors that we have been seeing at school this year.

Happy Bear

Happy Bear is a presentation specifically written for preschoolers, kindergartners, first & second graders. The Happy Bear project is a child sexual abuse prevention program that teaches children about touching and being touched and how to recognize and protect themselves from sexual assault. Happy Bear is especially effective because of the live presentation format with plenty of interaction with the children. Presentations are made in a sensitive and humorous manner, emphasizing the positive aspects of touching. We will have Happy Bear at OAC next month. Flyers will go home the end of this month about the presentation and parents are welcome to attend.
