Staff Development

Staff development went very well on February 17th. The teachers have been making great progress on BYOC. We are finishing up with math and moving on to the reading curriculum.

Family Night

OAC has a family night Monday, March 10th at 6:00 with the second grade music program to follow. The family night will be in the hallway by the computer lab and the students will have make and take reading and math activities. The students will also be able to play fun games with parents.

Second Grade Music Program

Our second grade music program is March 10th at 7:00, immediately following our Family Night. The students and Ms. Jones had been working extra to be ready for the program since we missed so many days because of the snow. The students are very excited to share their hard work with all the parents!

Character Awards

OAC is working on character traits each month. Teachers have been nominating students showing these great character traits. The students are recognized each morning after they have been nominated. Also the student gets their picture on the character award bulletin boards. The students love seeing their picture and being recognized. We also had our second reward for filling up the OAC bucket. We watched Monster's University in the gym and enjoyed popcorn.
