Sports Physicals

In conjunction with Washburn University School of Nursing, the Santa Fe Trail school district will provide the opportunity for student athletes to receive a sports physical at school. These physicals will be valid through the 2014-2015 school year. Nurse Practitioners and Nurse Practitioner students will provide the physicals under the direction of a physician. Physicals will be offered to athletes in grades 9-11 at Santa Fe Trail High School during the morning of May 2nd. Physicals will be offered at Carbondale Attendance Center to student athletes in grades 6 -8 during the morning of May 6th. The cost of the physical is \$35. Checks or cash will be accepted. Checks should be made payable to St. Francis Health Center. Insurance will not be billed. Parents must complete a signed written consent and the parent/student portion of the sports physical form. These forms will be provided at a later date. Payment and the signed forms will be due at the time of service. More detailed information will be available in the near future. If you have questions, you may contact the District Nurse, Jeanette Lewis, RN, BSN, at 785-836-7656 or 785-665-7161.

Baseball

The baseball season has gotten off to a good start in 2014. The varsity team swept their doubleheader against Anderson County in the season opener. The junior varsity is 1-3 on the young season, with their lone win coming against Burlington and losses to Anderson County and Burlington. All varsity and junior varsity home games are played at Jones Park in Overbrook.

Softball

On Thursday, March 27th the varsity softball team kicked off the season and compiled 2 wins against Anderson County. That same day the junior varsity also swept the Lady Bulldogs. The junior varsity is 3-1 on the season after splitting with Burlington. All varsity and junior varsity home games are played at Jones Park in Carbondale.

Boys Golf

SFT has yet to play in a tournament so far this season. Upcoming golf dates for the Chargers are April 8 at Burlington & April 15 at Olpe (Emporia Municipal GC).

Track

The Santa Fe Trail track team will see their first action on Thursday, April 3rd when they travel to Silver Lake. At this track meet, both the varsity and junior varsity will compete.

Art

Carli Erickson won 3rd place in Division IV (10th thru 12th grade) of the Kansas Federal Junior Duck Stamp Contest. Carli's entry was chosen from 907 entries submitted from Kansas students. This program has been in existence over 20 years, and is designed to promote exploration of wildlife and habitat conservation through the arts.

On April 22nd, Santa Fe Trail Junior High and High School will be holding “Above & Beyond”, an end-of-year collaborative art exhibit. This will take place in the commons area of the high school and will be held from 6:00-7:30 pm. Two and three-dimensional artwork, as well as a podcast will be on display. So please come and show your support for our budding young artists!

Resource Classrooms

- Retail is a class designed to help students learn things that will help them function in our society. The students also learn business selling techniques such by ordering, doing inventories and stocking supplies for not only concession stands but also the vending machines. With the new federal guidelines on what can be sold in schools, we read many product labels to make sure they met these guidelines. We collect, count, and prepare a deposit for the money from the vending machines. As a reward for their hard work , the Retail class along with Charger store class will be going on a field trip to Topeka to bowl and eat lunch.
- Mrs. Musgrave’s class has had a bird feeder outside the classroom during the school year. The students have enjoyed watching the birds, filling the feeder and taking pictures of the birds that visit the feeder. The students will use the pictures to identify the species of birds that ate at the feeder during the winter.
