

SFT ACTIVITIES FUNDRAISING 2014 -2015

Dance Team

Charger Decals and Casey's Pizza Cards between May –August. Profits from the sales help the members of the team pay for uniforms and camp for the season. We will also sell Brochures in May. We will begin actively selling tickets for a KU blanket raffle. We also hold a Kiddie Dance Camp during football season. All profit helps with uniform costs.

FBLA

SFT-FBLA will continue to sell Cookies once a week after school, plus they will begin a brochure fundraiser called Cherrydale Farms in mid September. We would like the option to have a 'door to door' fundraiser this spring AFTER our state conference in March—just in case there are a number of students that qualify for Nationals.

Cheerleading

We have T-shirts that we are trying to “get rid of” because of a misorder on my behalf.
Leondard Mountain Soups – selling the dried products this winter (before Christmas).
Food Stand at the Overbrook Craft Fair in November.
Kansas Maid Bread – in the Spring.
Would like to do a mini-cheer clinic next summer, sort of like the BB Camps.
Car Washes next summer.
Assisting the “nut” company setting up their samples in May at Heartland Park.

KAY

Purpose: Assist KAY members with Leadership Camp Fees

Camp registration is approximately \$280.00 per student.

What: Watkins Products:

Quality products & company, consumable home products; seasonings, personal care, home care products, health & wellness, environmentally green products, good variety.

Watkins has been in business for 143 years, a quality company and product, something for everyone, repeat customer requests for KAY. Members will take orders from their friends, family, & personal networks.

Girls Basketball

Sell candles as a fundraiser during the month of November into early December.

Boys Basketball

Santa Fe Trail High School Boys Basketball team is looking for advertisement sponsors for this years 2014-2015 Varsity Basketball poster. This poster is a way of raising money to help fund the boys basketball program over the season. This money raised helps purchase travel clothing for boys to wear to and from away games during the season. Any extra will be put toward team building activities throughout the season.

We are asking that you consider a contribution of \$50 for a business card size advertisement on this poster. The poster will be completed sometime before the Christmas holiday.

Baseball

The baseball team will raffle off a half hog. Money will be raised for t-shirts, hoodies, etc. We will sell tickets during home basketball games in addition to “door to door”.

Green Team

The SFT Green Team will be selling Sonic Community Cares value cards for \$5. Proceeds will go towards purchasing recycling receptacles.

We would like to sell water bottles. The type that are BPA free with our logo and use the proceeds to purchase an EZ H2O water filter and dispenser that would replace an existing water fountain and kids and staff could refill bottles and thus reduce the plastic water bottles thrown away in our building.

There will also be an e-waste collection in the spring; a date has not been set. This event had an overwhelming response this year with over 7,800 pounds collected.

Student Council

Sell homecoming t-shirts at enrollment.

National Honor Society

NHS hosting a father-daughter dance the Sunday after Winter Formal.

Choirs

The choirs will be fundraising for new uniforms this year. The only door-to-door thing I plan is a wrapping paper deal through Innisbrook—shooting for early November.

Football

We are going to try and do a golf tourney and alumni football game next year also.

Cross Country

Fan cloth catalog to raise money for ALS.

Wrestling

Wrestling works a kids wrestling tournament, which will most likely be in early January.

Volleyball

The High School and the Junior High Volleyball teams are working in cooperation to help raise funds for Addison Kuhlmann, who is a Kindergartner in our district diagnosed with leukemia, and a sister of a freshman volleyball player Savannah Lankton. The team members will be asking for donations to the family to help with expenses involved in treatments for her. We will also be doing a silent raffle with donated items at a junior high and a high school volleyball match.
