### **Halloween Parade**

Each October, OAC has a Halloween parade and we get local businesses to participate and hand out candy. This year we had a beautiful day for our parade and we had over 15 businesses participate! Our classes are in the process of making thank you cards to the businesses.

### **Stuff the Turkey**

Overbrook students and staff will be working together to stuff a cardboard turkey during the month of November. Students place non-perishable food items inside the turkey in the commons. The plan is to donate the food along with donated turkeys to families in need.

### **Parent-Teacher Conferences**

We had a great turn out this year, 90% of our parents came to the conferences. This is a 3% increase from last year! The teachers at OAC have been great communicating with our parents and we did not have any surprises or problems arise at the conferences.

### **Kansas Reading Road Map**

We have been approved for the grant. Currently we are working on getting staff trained for the after school program. Tracie Pearce was hired as Director and has been doing a great job.

### **Upcoming Events:**

**Veteran's Day Assembly-** We will be having a veteran's day assembly on November 11<sup>th</sup> in the morning. Coffee, juice and cinnamon rolls will be provided following the assembly.

### **Update on OAC Building Goals**

#### **Data**

We have been using the new Aimsweb system, and have started progress monitoring. The Aimsweb system does have some issues, but we are working through them.

#### **Curriculum**

We had a teacher from each grade level attend a BYOC training mid-October. After the training, we had our BYOC break out groups last week. The teachers are working hard to move the progress of BYOC further along.

**McRel**

This is going well so far, no new updates. I am doing walkthroughs and teachers are working on their goals.

**Communication**

I have been using Facebook more and have posted pictures from OAC weekly. The weekly memos have been going really well, and the teachers have asked for them to continue.

**Developing as a Professional**

We have a few teachers attending workshops to improve their skills.
