Subject: Track season 2015

Good afternoon,

I apologize for the short notice, but with the pending arrival of a new baby at the end of the month I do not feel as if I will be able to fully commit my attention to coaching this track season. I would like to thank you for the opportunity to be a part of the SFTJH track coaching team, and I wish the team the best of luck in the 2015 season.

Thank you,

Adrienne Diggins
