BYOC

Build Your Own Curriculum went very well last week. The teachers have been making great progress on BYOC. I was able to have a trainer from Greenbush come work with the staff on BYOC, and talk about their progress of where they are, and where they need to be.

Second Grade Music Program

Our second grade music program is March 10th at 7:00. The students and Ms. Jones had been working extra to be ready for the program. The students are very excited to share their hard work with all the parents!

Character Awards

OAC is working on character traits each month. Teachers have been nominating students showing these great character traits. The students are recognized each morning after they have been nominated. I have also had teachers nominate some of their students to eat lunch with me, as a reward for showing great character traits. This past month, I was able to eat with groups of 20 students from each grade level, on separate days. Students love the special lunch, and also enjoyed eating in a different room than their normal routine.

Quarterly Discipline Report

Below is a summary of disciplinary actions for Overbrook Attendance Center.

	1st Quarter	2nd Quarter	3rd Quarter	4th Quarter	14/15 Totals
Total Number of Office Referrals for Discipline	18	15	11		44
Total Bus Discipline Referrals	2	5	2		9
ISS	2	1	0		3

I am very happy with the numbers, the office referrals were down again this quarter. The students have been making really good choices this semester. I hope to see the trend continue for the next quarter.
