Subject: Track Resignation

After careful thought and consideration, I have decided to resign from my position as assistant track coach with Santa Fe Trail High School effective immediately due to my current position with BNSF and conflicting work hours. I'd like to thank you for providing me with an opportunity to develop my skill set while gaining experience as a coach the past 3 years. I wish you, and the entire Athletic Department at Santa Fe Trail the best of luck in the future.

Sincerely,

Benjamin W. Fawl
