April 23, 2015

Dr. Pegram and USD 434 Board of Education,

I would like to thank you for the privilege of working in the Santa Fe Trail Schools the past three years. I have grown a lot personally and professionally. I have accepted a position working with Greenbush and will be resigning my position as principal at the end of this school year.

Thank you again for the opportunity to work with your students and staff.

Sincerely,

Jennifer Hanni
