ATTENDANCE CENTER

202 W. 7TH OVERBROOK, KS 66524

To: Dr. Steve Pegram and Board of Education
From: David Fernkopf, OAC Principal
Date: May 6, 2015
Subject: May Building Report

Here is a preview of upcoming events and a summary of some recent events at Overbrook Attendance Center.

Aimsweb Testing

We are finishing our spring Aimsweb testing. We have a lot of data that we are going to be able to look at to see how much growth we had in each grade level. We will be having those conversations as a staff during profession development next week.

Field Day – May 7

Our Field Day was rained out, so we had 12 different stations throughout the building at OAC for the students to participate and get moving. The students had a lot of fun and enjoyed working with their class mates on the different activities.

Kindergarten Round-Up

We had approximately 65 students and their parents attend Kindergarten Round-Up. Parents were able to visit with office staff and me along with taking a tour of the building. Students were able to visit the different kindergarten classrooms and do a little introduction to kindergarten. I expect more kindergarteners to enroll in August. We have a tentative list of 74 students.

Field Trips

The students and the staff of OAC would like to say thank you to the PTO for sponsoring all the field trips this year. The kindergarten students visited the Deanna Rose Homestead in Overland Park, first grade visited TPAC and the second grade students visited the state capital and air museum. Thanks PTO for these experiences!

Update on OAC Building Goals

Curriculum

We are still working on BYOC. We will be having another work day this month.

McRel

Since teacher evals have been turned in, there has not been much activity on McRel. I have still been visiting classroom daily and checking in with teachers.

Communication

I am still using Facebook, weekly memos, and monthly school newsletters.

Developing as a Professional

Our plan for professional development days are as follows.

Wednesday, May 13th -Grade card meeting and Transition meetings in the morning, BYOC in the afternoon all at OAC.

Thursday- Data meeting in the morning, Goal setting for OAC in the afternoon

Data

We will be looking at data next Thursday from Aimsweb. The system seems to be working better and we have been able to print reports.
