

## **SFT ACTIVITIES FUNDRAISING 2015 -2016**

### **Dance Team**

We would like to sell donuts thru a Krispy Crème Donut fundraiser. I don't know specifics or dates yet.

### **FBLA**

SFT-FBLA will continue to sell Cookies once a week after school, plus they will begin a brochure fundraiser Cherrydale **Farms** in early September for two weeks. We would like the option to have a 'door to door' fundraiser this spring AFTER our state conference in April—just in case there are a number of students that qualify for Nationals.

### **Cheerleading**

Cheerleaders have T-shirt sales, (friends and family) and soup (door to door).

### **KAY**

KAY will sell Watkins products.

Quality products & company, consumable home products; seasonings, personal care, home care products, health & wellness, environmentally green products, good variety.

Watkins has been in business for 147 years, a quality company and product, something for everyone, repeat customer requests for KAY. Members will take orders from their friends, family, & personal networks.

### **Boys Basketball**

Santa Fe Trail High School Boys Basketball team is looking for advertisement sponsors for this year's 2015-2016 Basketball poster at \$50 each. This poster is a way of raising money to help fund the boys' basketball program over the season. It is a business card size advertisement and will be completed sometime before the Christmas holiday.

### **Baseball**

The baseball team will raffle off a half hog. We will sell tickets during home basketball games in addition to "door to door".

### **Green Team**

The SFT Green Team will be selling Sonic Community Cares value cards for \$5. Proceeds will go towards purchasing recycling receptacles.

We would like to sell water bottles. The type that are BPA free with our logo and use the proceeds to purchase and EZ H2O water filter and dispenser that would replace an existing water fountain and kids and staff could refill bottles and thus reduce the plastic water bottles thrown away in our building.
