

Scranton Attendance Center's

Partners In Education

October 2015 Update

During September we have recognized Arts in Education and Celebrate Freedom Week. The students engaged in some great lessons centered around the Constitution. It is never too early to learn about the history of our great nation.

Over the past three weeks, fourth grade students have had lessons each Friday

sponsored by the Frontier Extension Agency. Mrs. Soba has covered topics including food safety and preparation, whole grain nutrition and healthy eating/serving recommendations. There are two additional lessons scheduled in October.

Third grade Grandparent's Day was a huge success. The students did a great job performing their two songs, causing a few tears to be shed! Breakfast, games, building tours, and pictures at the photo booth filled the morning with shared fun. We look forward to the fourth grade Grandparent's Day and Wax Museum in January.

As homecoming approaches, we have focused attention on school pride, spirit and sportsmanship. Additionally, the SFTHS cheer and dance squads have participated in morning assembly demonstrating their school spirit. This was a great treat for SAC students. The cheerleaders taught students a couple of the cheers which will be a part of the homecoming pep rally. Students were provided information about the upcoming "Little Dancers" camp and both girls and boys were encouraged to participate. The "Little Dancers" will perform at half-time of the HS FB game on October 9 against Ottawa.

Spirit week has been fun so far. It is exciting to see the students' creativity come alive. We will be attending the homecoming parade and pep rally on Friday, October 2nd in Overbrook.

On Tuesday the 29th, students attended the KC Wolf Fuel-Up Play 60 assembly at OAC. This was the kick-off for the SAC Fuel-Up Play 60 program. Mrs. Crook has provided students with information if they are interested in participating.

During the month of September, the 3rd Grade sponsored a food, personal care, and clothing drive which coincided with their first reading unit. Thank you to everyone who donated items to be distributed to community members in need. The picture includes some of the items collected.

cludes some of the items collected.

The official start of the school day is 8:00 a.m. Students arriving after that time must report to the office for a pass. When returning from a medical appointment students should bring a note from the doctor for the office to keep on file. Oversleeping, missing the bus, etc. are unexcused absences. For every *three unexcused absences* students will serve a *30 minute afterschool detention*.

Students get the most out of their education when they attend school.

Charger Code of Conduct:

We are Chargers - C-Cooperative

H-Highly Active Learners

A-Academically Successful

R-Respectful

G-Goal Oriented

E-Eager to Give Effort

R-Ready to Learn

S-Self Motivated

We are Chargers!
