Subject: Retirement

It has been a pleasure and an honor to be the District Nurse for USD 434 Santa Fe Trail. It is with mixed feelings that I wish to turn in my resignation effective July 31, 2016. I plan to retire at the end of July so I can spend more time with my family and follow other pursuits. I am looking forward to retirement, but am saddened to be leaving my friends and colleagues at Santa Fe Trail. Thank you for allowing me to be a part of the Santa Fe Trail School District.
