Reward Movie

The students enjoyed an afternoon of popcorn and a movie on December 21st as a reward to filling the OAC Bucket. The bucket program rewards students for good character traits. As the students are caught making good choices they earn cotton balls for their classroom bucket. When the classroom bucket is full, they earn a small class prize, along with dumping their class bucket into the big OAC bucket. We have seen an improvement in behavior as the buckets have been filling up.

Music Programs

The kindergarten and first grade music programs were on December 16th. Both programs went really well, and the auditorium was packed full!

Santa's Workshop

Santa's workshop was a great success as all students were given a chance to participate. A big thank you to all the parent helpers and Dawn Sitz who donates her time before and after school to run the workshop.

Discipline Report

Below is a summary of disciplinary actions for Overbrook Attendance Center.

	1 st Quarter	2 nd Quarter	3 rd Quarter	4 th Quarter to date	13/14 Totals
Total Number of Office Referrals for Discipline	18	28			
Total Bus Discipline Referrals	2	4			
ISS	2	1			

Overall the numbers are slightly higher than last year. Although nine of the discipline referrals are for two students who both are being put on IEPs. I expect the number of discipline referrals for the third quarter to decrease.

Kansas Reading Roadmap

With the change in coordinators, I have seen a positive change already. Things seem to be more organized and I have received a plan for the semester. The start date of the after school program has been postponed by a week, by request of the Kansas Reading Roadmap Program Manager. The expectation is that we as a district have more students attend the program. We were averaging around 40 students last semester and we would like to see this number grow.

Lexia

We continue to have a lot of success for students in Lexia. The first day after break I had over 20 certificates for students who moved up a level. Many of these certificates were earned over break. Many of the students are still working hard to earn the Lexia t-shirt.
