January 2016 Update

### Happy New Year!!

The Scranton Attendance Center will kick-off the new year with the School Spelling Bee on Tuesday, January 12th. There will be two representatives from each classroom. The event will be held in the gym starting at 1:30 p.m. Once the spelling begins, no one will be allowed into the gym. If you plan to attend, please arrive and be seated by 1:25 p.m.

The Osage County Spelling Bee will be held on Thursday, January 21st at the Burlingame High School at 9:00 a.m. Our SAC champ and runner-up will be attending.

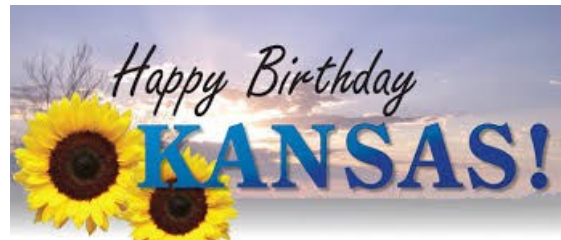

Thanks to your generous contributions, our warmth drive was very successful. Mr. Payne delivered two boxes of hats, gloves, scarves, and socks to the Osage County Help House. The food items were a perfect complement to the hams and turkeys our drawing winners received.

Second quarter grades will be sent home with students on Wednesday, January 6th. If you do not receive a copy, please contact the office.

Throughout December Christmas carol trivia and words associated with the holiday were shared with students during morning assembly. They seemed to especially enjoy the trivia and discussed the holiday vocabulary even outside of assembly. In an attempt to continue peeking student interest, throughout January we will have Kansas trivia each morning. The Kansas theme also ties in with the projects students are working on in technology class.

The fourth grade students are beginning to prepare for their Wax Museum and Grandparent's Day Lunch. Please be on the lookout for a note with additional information. To help the kitchen prepare, be sure to return the note listing the number of guests your student will have for lunch. The menu will include potato soup and salad.

The Washburn University softball coach along with a few players helped wrap-up the second quarter Fuel-up to Play 60 session. They provided some great info for the students as well as an activity for those who had met their Q2 goal. Third quarter calendars have been distributed and are due back March 3.

**Lexia Super Stars!** During the month of December we added twenty-eight students to our list of those working on lessons above grade-level or having completed the Lexia program.

Please help  
students  
remember to  
bundle up in  
this cold  
weather.

Continuing with the goal of exposing SAC students to future possible activities, the SFTHS Jazz Band kicked off our Christmas Sing on December 22. Under the direction of Mr. Quilling, the band gave a great performance. Our students even got to judge their ugly sweater contest!
