April 2016 Update

## State Assessments

During the month of April SAC students will complete the Kansas State Assessments. The week of the 4th, third grade students will take the reading

assessments and the following week, April 11-15th, the math. Fourth grade students will take both the reading and math assessments the week of April 25th. Math in the morning and reading in the afternoon. Please be sure your student is at school, getting plenty of sleep, and a healthy breakfast to start their day.

## Field-Day Shirt Design Contest

SFT Field-Day is scheduled for

Wednesday, May 4th. Each class will sport a different shirt color that day. We would like to have a unique, yet simple design printed on each shirt. A design contest will be held soon and the winner will earn a free shirt.

We are asking each for each student to bring \$3 toward the purchase of their shirt. During conferences, please provide teachers with the shirt size you would like ordered for your student.

## Pennies for Patients

April 4-22, SAC students will be raising funds for the Leukemia and Lymphoma

Society with a Pennies for Patients campaign. Each individual class has a website for donation collection and students can set-up their own page in connection to that site. These are in addition to collecting change in classroom containers.

If students bring \$1 donation to their classroom collection box April 4-6th, they can wear a hat to school Thursday the 7th. A \$1 donation April 11-13th, students can wear school appropriate PJs on Thursday the 14th. During wrap-up week, a \$1 donation on April 18-20th will allow students to participate in "Stick it to Mr. Payne" day, Thursday the 21st. Students will have the opportunity to place a sticker on Mr. Payne that he will sport for the remainder of the day!

**SAC Has Talent** - The SAC talent show will take place on Friday, May 6th at 2:00 p.m. Entry forms are due to Miss Jones by April 22. Participants will be required to attend rehearsal on May 3rd or 5th from 3:30-4:30 p.m. They may come to both. Parents are responsible for transportation home following rehearsal.

## Music Concerts

Both third and fourth grade classes have upcoming music concerts which will be held in the performing arts dome at SFTHS. The third grade concert is April 11th and fourth grade on April 21st. The concerts will begin at 7:00 p.m.

Students should arrive by 6:40 p.m. to line up with their classmates.

## Lexia Super Stars!

During the month of March we added 14 students to our list of those working on lessons above grade-level and four fourth graders having completed the Lexia program. One third grade student has also finished Lexia this past month.
