Subject: May Building Report

Here is a preview of upcoming events and a summary of some recent events at Overbrook Attendance Center.

Aimsweb Testing

We are finishing our spring Aimsweb 2.0 testing. We have data that we are going to be able to look at to see how much growth we had in each grade level.

Field Day – May 4

Our Field Day went great, thanks to all the hard work from Linda Cunningham and Kayla Chiddix. The students had a lot of fun and enjoyed working with their class mates on the different activities.

Kindergarten Round-Up

We had approximately 40 students and their parents attend Kindergarten Round-Up. Parents were able to visit with office staff and me along with taking a tour of the building. Students were able to visit the different kindergarten classrooms and do a little introduction to kindergarten. I expect a lot more kindergartens to enroll in August. We have a tentative list of 68 students.

Field Trips

The students and the staff of OAC would like to say thank you to the PTO for sponsoring all the field trips this year. The kindergarten students visited the Discovery Center and the Topeka zoo, first grade visited Old Prairie Town and went to a performance at Topeka Performing Art Center and the second grade students visited Baker University's wetlands along with going to the science museum on Kansas University's campus. Thanks PTO for these experiences!
