Dear Dr. Pegram:

Please accept this letter as notification of my resignation from my position as Technology Instructor at Carbondale Attendance Center. After consideration, I have accepted a position with Seaman High School to teach for the 2016-2017 school year.

This move will allow my husband to have a closer drive to work, and my son and I a closer drive to go and visit him on all of those activity nights. I cannot express how difficult this decision has been for me and my family. While this change is very exciting, and will have a positive impact on our lives; it is hard to leave the home, community, schools, and the friends that we have made in our past 13 years here in the district.

I wish the brightest future possible for Santa Fe Trail and all of its employees and students. If I can do anything to help make the transition smoother, please do not hesitate to contact me.

Sincerely,

Sheila Mumford
