

# CAC/SFTJH CHARGER NEWS

**November 2019**

The 2019-2020 is already going by quickly. There are many activities going on during the month of November. Be sure to look over the calendar on the last page of this newsletter and make note of those items that affect you and your family.

**Thank you to the Carbondale Area Businesses** - We had a great Halloween parade today even though we had to move it indoors at the school. There were a lot of area businesses still able to attend and we appreciate it very much.

**Introduction of Mr. Holmes** - Hi, my name is Robert Holmes. I'm filling the Interim Principal role at CAC. I have been a district para at CAC with the Title I program the past 4 years after retiring from education. I had spent the previous 21 years at the same school district in south central Kansas as 7-12 principal and athletic director. You may have seen me after school doing cross-walk duty at CAC.

The district has opened the position for the remainder of the school year, and Mr. Zach Harwood has continued as Assistant Principal and Athletic Director. He and I are actually working side-by-side to administer the building as he'll be here throughout the year. I'm 100% confident in the staff will continue to thrive. They have already helped Mr. Harwood and myself immensely! I would like to address one rumor with the change, and that is Mrs. Hamit leaving. It was not the direct result of the incident on the news last week.

**The Leader In Me** - Leadership Roles at Home

Each new school year brings opportunities for academic growth and growth in all areas of development. Although children must be knowledgeable when they graduate, they must also be healthy, engaged, responsible, and caring people.

One of the best ways to help your child realize his or her worth and leadership potential is to provide an opportunity to lead. Most Leader in Me Schools offer student leadership roles as a way to teach: *Responsibility, Leadership, and Contribution*

Our focus for November will be Habit 4:

**Put First Things First**—Do the things you can accomplish now so you have time later for things you want to do, not have to do.

**Girls Basketball & Wrestling** - Seventh and eighth-grade girls basketball seasons have begun! Good luck the entire season! We have another home game Monday night at CAC and the wrestlers have their first match Monday at the high school.

**Attendance Race** - Thank you for helping your student be at school as much as possible. We can provide them the best support when they are present - the race for the 2nd quarter competition continues!

**Recycling Items** - At the beginning of each month CAC collects items to be recycled. These items include cereal bags, toothpaste tubes, toothbrushes, mouthwash bottles, shampoo and conditioner containers, hand lotion containers, deodorant sticks, body wash containers, chap stick tubes, dental floss containers, and granola bar wrappers with the inner foil. We will get money for all of the items collected. We appreciate your contributions to this recycling effort.

**For Your Calendar** - Please always check the Homepage for corrections
