Subject: December Building Report

### Reward Movie

The students enjoyed a movie on December 20<sup>th</sup> as a reward to filling the OAC Bucket. The bucket program rewards students for good character traits. As the students are caught making good choices they earn cotton balls for their classroom bucket. When the classroom bucket is full, they earn a small class prize, along with dumping their class bucket into the big OAC bucket.

### Music Programs

The kindergarten and first grade music programs were on December 6th. Both programs went really well, and the auditorium was packed!

### Santa's Workshop

Santa's workshop was a great success as all students were given a chance to participate. A big thank you to all the parent helpers and Dawn Sitz who donates her time before and after school to run the workshop.

### Discipline Report

Below is a summary of disciplinary actions for Overbrook Attendance Center.

	1 <sup>st</sup> Quarter	2 <sup>nd</sup> Quarter	3 <sup>rd</sup> Quarter	4 <sup>th</sup> Quarter to date	13/14 Totals
Total Number of Office Referrals for Discipline	38	21			
Total Bus Discipline Referrals	5	7			
ISS	2	3			

Overall the numbers are slightly lower than last nine weeks for office referrals, hopefully this will continue to this nine weeks. The bus referrals have jumped, but we have made some changes on bus routes, which will hopefully help with these problems.

### Lexia

We continue to have a lot of success for students in Lexia. Many of the students are still working hard to earn the Lexia t-shirt. I just put in an order for more Lexia shirts before break, due to running low on every size. This is a great problem to encounter, which means a lot of students have been making some great gains.

### Moby Max

We are in the process of finishing up the middle of the year testing. From the results I have seen so far, we have made some great gains. I should have more information to share next month.
