

OVERBROOK

ATTENDANCE CENTER

202 W. 7TH OVERBROOK, KS 66524

To: Dr. Steve Pegram and Board of Education
From: David Fernkopf, OAC Principal
Date: February 1, 2017
Subject: February Building Report

Book Fair

The OAC Scholastic Book fair will open the second week in February. The staff and students are excited to see new books available. We also will have a change drive to raise money for extra books. The goal is that every student at OAC receives one book from the book fair to keep.

100th Day of School

We will celebrate 100 days of school on February 8th. Our students at OAC will do many activities celebrating our accomplishments so far this school year.

Mid-year meeting

I had individual meetings with each certified teacher in Overbrook this year for a mid-year check in. From the meetings, I found some areas we as the staff could improve and other areas we are doing great.

Some of the areas that need improvement include accuracy on lunch counts, following schedules better and all of us doing our part to keep the building clean and presentable.

Some areas that we are doing great include the use of Lexia and educational art work created by the students. I also want to complement the staff on their dedication to their job. Despite all the sickness, the staff have been doing a great job pushing through and doing their jobs. The teachers and other staff have also been great at covering for other teachers when we are shorthanded and need help covering classes.

Read-a-thon

The staff and the students are getting excited about the PTO's Read-a-thon. The Read-a-thon is a great way to raise funds and encourage literacy and education. The PTO is also planning a fun Read Across America Day celebration. Information about the Read-a-thon was sent home this week. The Read-a-thon will be starting February 13 and go through the 24th of February.

PTO

OAC would like to thank PTO for the donation of money to purchase shoes for our students in need. We were able to purchase 16 pairs of shoes for students in need.

Social Skills

We have continued with our Boy's Town Social Skills led by Mr. Payne. These skills help our students know how to act correctly in social situations and help our students make better choices at school.
