My wife and oldest daughter came to visit me last week. My wife has asked me not to return to Carbondale USD 434 next school year, if offered. Therefore, I am retiring at the end of the current year, again.

Since I know you are in the planning stages for next year I thought this would be helpful information.

I want to thank you for the opportunity to work in your school district. It has been a rich and rewarding experience. You run a fine school district with many positive attributes. I have enjoyed working at CAC.

Bill
