Second Grade Music Program

Our second grade music program is March 14th at 6:00pm at the high school auditorium. The students and Ms. Jones have been working extra to be ready for the program. The students are very excited to share their hard work with all the parents!

Quarterly Discipline Report

Below is a summary of disciplinary actions for Overbrook Attendance Center.

	1st Quarter	2nd Quarter	3rd Quarter	4th Quarter	16/17 Totals
Total Number of Office Referrals for Discipline	38	21	30		89
Total Bus Discipline Referrals	5	7	5		17
ISS	2	3	2		7

I have taken a closer look at the discipline problems we have been having and I have narrowed a majority of the discipline problems down to one grade level. Discussions have started with the teachers about what could change to prevent students from being sent to the office, along with looking at if any of the students need a discipline plan.

Read-A-Thon and Dr. Suess Birthday-

A big thank you to PTO for hosting a read-a-thon and celebration of Dr. Suess's Birthday. The read-a-thon encouraged our students to take extra time to read, and we had great participation along with raising a lot of money for the PTO. To celebrate Dr. Suess's birthday and Read Across America, the PTO brought in a local author to speak to our students. They also provided Santa Fe Trail shirts for all staff and students to help celebrate.

Bucket Reward

At OAC we have rewards when the OAC bucket is filled. The reward this time was a local resident who has a trained Peregrine Falcon that he showed to students. He had information to share with the students about falcons along with a question and answer session. The students were excited for this event.

Parent Teacher Conferences

OAC will be hosting their spring conferences on Monday, March 13th and Wednesday, March 15th. At these conferences we will be discussing how the school year has been going for the students along with any praises or concerns.
