Subject: May Building Report

Aimsweb and Moby Max Testing

We will be finishing up our testing within the next week and then we will be able to look at the data from the beginning of the year and look for growth as we compare the data to our most current testings.

Field Day – May 5

Our Field Day is scheduled for May 5th. Zach Johnson has done a lot of hard work to get all the events prepared. We are doing things a little different this year. We are trying to have our Field Day at the Overbrook ball diamonds. We will be walking with our students to and from the school to the ball diamonds and the students will do eight fun rotations with their teachers. Family and friends are all invited to attend.

Kindergarten Round-Up

We had 53 students and their parents attend Kindergarten Round-Up. Parents were able to visit with office staff, myself, tour the building and were given time to start filling out paper work. Students were able to visit the different kindergarten classrooms and do a little introduction to kindergarten along with getting a short bus ride. I expect a lot more kindergartens to enroll in August.

Staff Movement

We have some staff changes for next year. We are losing both Tina Arb and Amanda Lattimer to Carbondale. Samantha Kennedy has taken a job closer to home at one of the Catholic Schools in Topeka. We also have a special education teacher, Marty McPheron, that has decided to move on to another district next year. I would like to thank all four of the staff members and wish them the best of luck.

End of the Year Review and Goals

I will be meeting with teachers next week to have conversations about how the school year went, to make improvements for next year. We will also be setting goals for those teachers that plan to take advantage of starting their professional development this summer.

Quarterly Discipline Report

Below is a summary of disciplinary actions for Overbrook Attendance Center.

	1st Quarter	2nd Quarter	3rd Quarter	4th Quarter	16/17 Totals
Total Number of Office Referrals for	38	21	43	21	123

Discipline					
Total Bus Discipline Referrals	5	7	5	3	20
ISS	2	3	2	1	8

The number of office referrals have increased the last couple weeks, which is a normal trend at the end of the school year. I have encouraged staff to be patient with their students, and to remember that the end of the year can be a stressful time for everyone involved.
