Effective at the conclusion of the 2017 baseball season, I will be resigning my position as assistant baseball coach. I have immensely enjoyed coaching such a great group of young men over the past 9 seasons. I have also had the honor of working with some of the finest coaches over this time as well. I wish nothing but the best for Trail baseball. My reasoning behind my resignation of baseball coach is simply due to wanting being able to watch my son who attends Silver Lake participate in baseball. Since many of our games would conflict with the dates of his I would not be able to devote full attention to Trail baseball.

Thank you for giving me the opportunity to work with this program over the years. In several years after my son graduates I hope to once again coach.
