

Changes to the K-4 Student Handbook for 2017-18

This is the only change I would like to pursue on Page 25

PERSONAL ELECTRONIC DEVICES

Individual radio/tape/CD/MP3 players and/or headsets, cell phones, cameras, pagers and flash drives are not permitted during the instructional day, which includes any sports, activity practices, and any school sponsored events. Personal electronic devices must be turned off and left in the student's locker when a locker is assigned, otherwise these items must be put away in the student's backpack. The school will not be responsible for any lost, stolen, or damaged personal electronic devices, including cell phones.
