Mo. First graders will enjoy creating a variety of artistic products at Kaleidoscope. Sea Life will be an exciting end to a first grade unit on habitats. Students will see the basic needs and adaptations animals in a water habitat use to survive. There will also be 10 staff members attending in order to meet Kaleidoscope's requirements. We are hopeful the P.T.O. will pay for $\$ 5.00$ per student. Kaleidoscope is free, but Sea Life costs $\$ 7.00$ per student ticket. Adult tickets are $\$ 10.00$. However, we will only need to pay for one adult. 69 students $x \$ 5=\$ 345$ Adult ticket $-\$ 10$ Busing - 140 miles $x 2$ busses $x .50$ per mile $=\$ 140$ Two bus drivers $x 7$ hours $x \$ 15=\$ 210$.
