Dear Mr. Abram,

It is with a great deal of pleasure that we are sending a gift of \$1000 specifically earmarked for use by your high school art teacher/teachers.

Your district is one of seven districts receiving the funds to assist with high school art programs in Douglas County. The High School Gifting Program is a program that began in 2017 by The Lawrence Art Guild Association and we are very excited to help enhance the promotion of arts education in public schools. We hope to continue this program in the future and do hope that these funds will come in handy for your teachers and students.

Kind regards from,
The Lawrence Art Guild Association
