

**SANTA FE TRAIL HIGH SCHOOL  
NEWSLETTER  
FEBRUARY 2019**

**CHARGER DAYS**

The latest Charger Day (January 16th) featured students rotating through sessions lead by staff from the University of Kansas and Washburn University. Their topics were Nutrition, Stress Management, Human Trafficking, and Healthy Relationships. Once this concluded students, worked on their Project Based Learning and participated in the survey from Myers Briggs Personality Test. Again, it was a pretty neat day on the Trail.

Our next Charger Day will be Wednesday, February 27.

**RECOMMENDED CHANGES FOR THE 2019-20 SCHOOL YEAR**

I would like to recommend the following changes for next year:

1. Starting with the Class of 2022, I would like to recommend that these students be required to enroll in and earn a semester credit for Economics of Personal Finance. This class will be required the second semester of their senior year. This class will be offered as a social studies credit.
2. Starting with the Class of 2022, the graduation requirement will be reduced to 24 overall credits. Students will still have to meet the state minimum requirement on courses. (We currently require 25 credits to graduate.)

**ENGLISH CLASSES WILL LOOK A LITTLE DIFFERENT NEXT YEAR**

For the 2019-2020 school year, the Santa Fe Trail High School will be revamping the course offerings in the English Department for juniors and seniors. Students will be able to have more choice in their course selection, while still fulfilling the necessary reading, writing, and speaking and listening standards and meeting the requirements for graduation. These electives will take the place of the traditional English III and English IV courses for juniors and seniors. The new courses available to juniors and seniors will be Mythology and Folklore, Sports Literature, Modern Literature, American Literature, College English Prep, and Film as Literature. Additionally, juniors who have completed Honors English II will have the ability to take Honors English III as well as Allen Community College (ACC) Composition I with a qualifying score. ACC Composition I and II and Introduction to Literature will remain as offerings to seniors with qualifying scores as well.

**A NEW BENCH AT SFT—BURCHETT AND BRYANT**

A message from Jennifer Mason, Craig Burchett's and Donnie Bryant's sister.

Thank you for the opportunity to memorialize my brothers at Santa Fe Trail. As you know, Donnie died in a car accident in November of 2017 and Craig was killed in a workplace accident at Westar Energy in June of 2018. This loss has been overwhelming for our family and it is our desire to remember them as the great guys they were.

Both Donnie and Craig were football players while in high school and then avid supporters after graduation. Many Friday nights, you could find them standing down by the concession stand watching the team in action, Craig watching his stepson, Gabe Dunnaway and Donnie

watching his son, Riley Bryant play football or his daughter, Kayla Bryant, dance. They loved this time together as proud SFT alumni.

Upon their deaths, the alumni from classes 1990-1992, collected money to contribute to a memorial on their behalf. Most of this money went toward a bench that can be seen on Main Street in Overbrook and our desire is to place another at the high school to honor them there. I am attaching a picture of the bench in Overbrook that we are hoping to replicate at SFT. We have people in place to construct the bench and secure it at the designated spot by the concession stand. Donnie and Craig were the types of guys that SFT should hold proud as alumni. Both of them hardworking and committed to making a lasting effect on the SFT community. Thank you again for the opportunity to honor them.

(This is what it would look like.)

### **ART DEPARTMENT**

Exciting news from the Art Department we had a couple of entries for "Doodle a Google." The first display cases are up for this semester walk by and check them out. Look forward to the Fine Art & Practical Art Show with Terry Stanton, in May 3rd.

SFT is still in Class 4A for Wrestling.

### **Dual Sport Participation**

There has been some interest from students who would like to participate in 2 sports during the spring season. Below is the Board policy on this issue:

Students may participate in two sports during one season, with approval from the coaches of both sports. In addition, a parent meeting with the coaches and athlete will occur prior to the first day of practice for that season, as set forth by KSHSAA. During this meeting, the athlete will need to choose which sport will be designated as their primary sport. Practice expectations will be discussed and outlined, along with how competition days will be determined per sport. Next, two sport athletes are expected to begin their dual sports on the same day. If they do not, the days missed will be considered to be unexcused. After two unexcused absences from one sport, they will no longer be able to participate in both sports.

### **Forensics**

The Forensics Squad got off to a great start to the 2017 season with a 2<sup>nd</sup> place team finish at the McClouth Invitational on Saturday, January 26<sup>th</sup>. There were 4 state qualifiers on this day also. Their next competition will be Saturday, February 8<sup>th</sup> at Rock Creek.

### **Concussion Program**

Santa Fe Trail High School students who are planning to participate in sports/cheer/dance anytime during the 2018-2019 school year are required to attend a free Concussion In Sports on-line course prior to starting practices. Those students who are participating in spring sports will be required to have this process completed prior to the start of practice on Monday, February 25<sup>th</sup>. Those that have not completed this requirement by that time, will not be allowed to practice until they have it completed. This is a requirement by the Kansas State High School Activities Association Executive Board. Anyone can participate in these courses and many others offered by NFHS by going to [NFHSLearn.com](http://NFHSLearn.com). Once completed, you can either print off your certificate or take a photo of it for proof of completion. Again,

this is a requirement for any student who plans to participate in sports/cheer/dance during the 2018-2019 school year.

Any of the following online courses are recommended by the KSHSAA and the KSHSAA Sports Medicine Advisory Committee for coaches, student-athletes and school administrators to meet the concussion and head injury education requirement:
