

Overbrook Attendance Center
Principal Notes

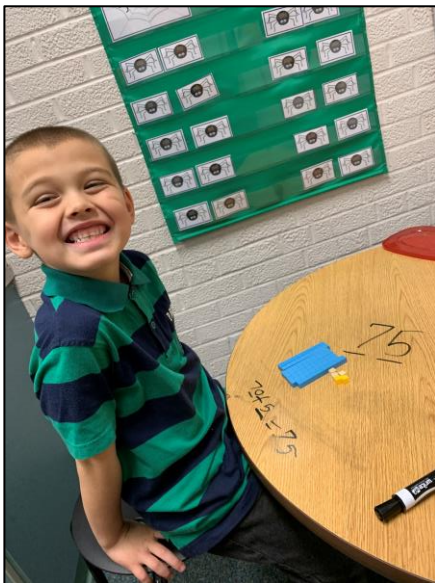

Our students have been busy the last few weeks!!

Miss Crumpton's students worked on a character/setting activity for reading.

Isn't it great to see a student so proud of his work!

Students love library time, especially when it is free read day!

Miss Sherlock's students will receive a book a month from the Scholastic Book Clubs. Family and friends, even Miss Sherlock's first grade teacher, have sponsored every student in the classroom for the 2019-2020 school year. THANK YOU, Donors!

When it is fall, it is time for a Pumpkin Seed Investigation! Miss Koger's class estimated and counted seeds, made predictions on whether or not the pumpkin would float or sink, counted the lines on the pumpkins, and made Pumpkin Slime! They also used the pumpkins to work on adjectives and nouns!

First graders enjoyed their quarter one Career Day! People say you can learn about what you want to be when you get older... "Young kids can't understand a career." According to Miss O, "You are never too young to learn about what you want to be when you grow up!"

The students learned from an electrician (Luke Thompson), a nurse (Michelle Schmale), a daycare provider (Madison Sowers), and our own SFT superintendent (John Denk)!! The kids were awesome! They learned lots and got to do fun things!!

Third graders enjoyed a visit with the Fire Department for Fire Safety Week. They got to look over the equipment and then explore the fire engine. Thanks to our Volunteer Firefighters and medical responders for being such great partners with OAC!!

Thank you to all our parents, staff, and supporters who have made each fall event special! **Fall Festival** we had over 300 family members in attendance. **Halloween** we had over 100 family members present to help and celebrate. Kindergarten and first grade recorded almost 100 guests for the **Thanksgiving Dinner**. Our students are so lucky!!!

Veteran's Day was observed with 45 veterans and families in attendance. Thanks to Miss Vobach, for writing the program and working with the students. Classes decorated the main entry with patriotic art.

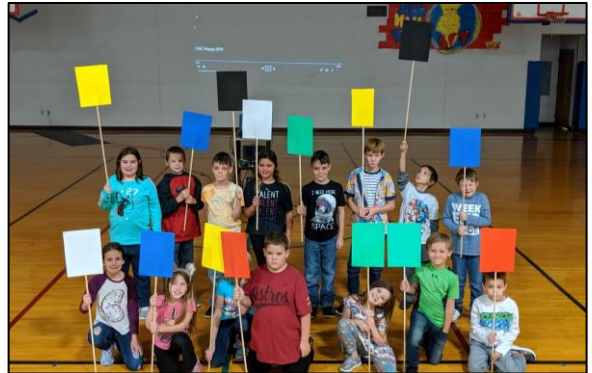

We very much enjoyed the music provided by the third grade. To finish off the celebration, our guests were treated to cookies and coffee. It was definitely our pleasure to host these American heroes!

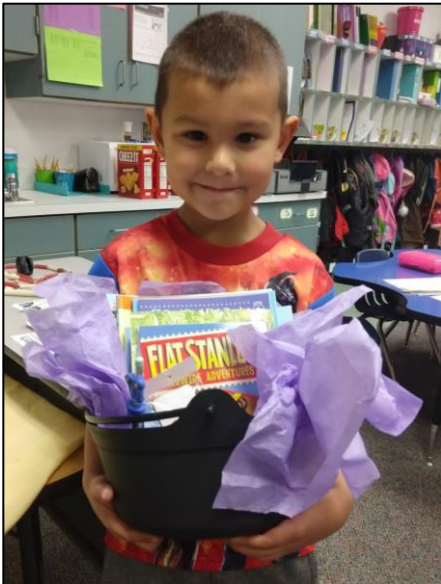

Another huge **THANK YOU** to our school community for the donations of clothes for our nurse to use in the care of our students. Miss Dusty's cabinets are too full to shut tight! We can't thank all of our donors enough!

One of our **special activities is a play** once a month from a classroom. Mr. Stone, one of our breakfast helpers, prepares with the class and we enjoy their hard work in an assembly. This month, we learned the lesson of happiness and putting a smile forward every day performed by Mrs. Dawson's students.

We are so proud of our students and the folks of Candlewood who made the **Thanksgiving Food Baskets** a reality for seven families. Students donated all the canned and boxed items needed to have a wonderful holiday meal. Candlewood donated the turkeys for each box. Thank you to every family who contributed!

The fall Book Fair was a huge success! Under Ms. Lee's guidance, the fair raised \$3034.95 in sales, and sold nearly 400 books! This came out to be just over \$1000 worth of credit to be used to purchase books for the library. Many teachers had items from their wish lists purchased, too! To top it all off, Kade won the Book Fair Cauldron!! Next book fair is in February!

Staff News

Nothing is better than adding to our OAC family! **Welcome to Harper Graham**, daughter of Nicole (OAC para) and Jack Graham. She was born October 18, weighing 4.6 pounds! She is growing and gaining every day!

And, on December 4, **Welcome to Johnlee Wells**, son of Brandi (OAC Resource teacher) and Chase Wells. He weighed in at 7.1 pounds and 20.5". CONGRATULATIONS!

We are happy to announce that **Brent Newton** is our new technology para. He has been with OAC as a TLEC para, but just recently made the move to tech!

The Sunflower Association of REALTORS® Community Relations Committee supports first and second year teachers with the opportunity to make application for school supplies. **Brandi Wells (Resource) and Kaitlyn Mercer (2nd)** both sent in their Christmas Wish List, and were notified that the Sunflower Elves were going to fulfill their wishes! Congrats to the teachers, and many thanks to the Sunflower Association of Realtors for supporting new teachers!!
