Project: Replace kitchen exhaust fan, repair exhaust fan #5, #2 and HVU-1

McElroy's Inc. is pleased to submit this proposal for the above reference project. Our scope of work is defined as follows.

- Disconnect and remove existing kitchen exhaust fan that damaged the blower wheel due to the motor bracket breaking. Provide and install new GreenHeck down blast exhaust fan in place of old fan. Startup new fan and check the operation.
- Replace locked up motor on exhaust fan #5 and check the operation.
- Replace belt on exhaust fan #2 and HVU-1. Check alignment and set belt tension.
- All labor, material, equipment, electrical and standard shipping included.

Items not included are as follows:

- **Overtime or Premium Wages**
- **Sales Tax**

Total Net Price For Above Referenced Project..... \$2,960.00

Thank you for the opportunity to bid this project. Please don't hesitate to call me if you have any questions regarding this proposal. I can be reached at (785) 267-9017.

Sincerely,
McElroy's, Inc.
