I am writing this to inform the board of my intent to resign from my teaching position at the end of this school year. I will not be returning next year. I have provided a hard copy for the district office. This was not a decision I have reached easily. It has always been very important to me to retire here at home, but I no longer feel like I am a good fit for this district. I appreciate my years at Trail and all the people who have helped make me a better teacher. I will continue to strive to finish this school year strong.
