

**October 2020
Food Service Report
Santa Fe Trail School District**

October's Monthly Breakfast Menu feature items are Tot N Egg Casserole, Donuts, Pancake Bites, and of course Biscuits and Gravy. October's Monthly Lunch Menu feature items are Frito Pies, BBQ Pork Sandwiches, Bacon Cheeseburgers, and of course Chicken Patties. The students, at all of the school seem to be very excited about the new items being offered at breakfast and lunch.

Second Chance Breakfast has got off to a little slower start this semester due to school schedule changes and Covid – 19 issues. At this time we are only offering Second Chance at the high school. We will re-evaluate the needs at the Jr. High and implement if possible. At this point, if a student is late, they are offered a breakfast if they would like one. If it is anything like last year we will be back up, feeding many more of the students again. Our program is now offering FREE meals to ALL students enrolled in the district. The Senate just passed a bill that extends our Free program through the 20-21 school year. We look forward to seeing more of the students take advantage of this opportunity.

As you may have noticed, the menus are slightly different than last year. At this point, we are offering 1 hot option and 1 specialty salad or sandwich, depending on the menu for that day. We have also slightly changed serving lines to insure the safety of the staff and children as they receive their meal. Trust that we will continue to serve hot nutritious meal to the students!

Lastly, I would like to share how happy I am to be working in a district that cares so much about the students and their nutrition. It makes my position so much easier. It brings a smile to my face to see all of the children's smiles (even under their masks) as they come through the service line and the happiness they exude when they see their favorites being offered. It is always noticed, as well, the manners the children in this district have. Thank you for letting me be apart of the Santa Fe Trail District. It is a wonderful place to work! - Darin Schmoe DNS

Our mission:
"Make Their Day"

OPAA! Core Values

Act in the best interest of the students, schools, and communities we serve

Be honest in everything we do

Have a passion to serve others
