

**November 2020  
Food Service Report  
Santa Fe Trail School District**

November's Monthly Breakfast Menu feature items are French Toast Sticks, Cinnamon Rolls, and of course Biscuits and Gravy. November's Monthly Lunch Menu feature items are Bacon Wrapped Hot Dogs, Tacos, Roast Turkey, and of course Chicken Patties. The students, at all of the school seem to be very excited about the new items being offered at breakfast and lunch. Also, you will see Mashed Potatoes on the menu more due to the kids requesting them.

October 12th-16<sup>th</sup> was National School Lunch Week. All schools participated in the "Lucky Tray Days"! Throughout the week we marked lunch trays and the winners got a special prize. At the Junior High and Elementary we also had Coloring Contests. Winners were picked and received special prizes for that as well. It was a lot of fun to see the kid's faces when they were given their prizes! We might even try doing it again just for the fun of it. This month is a little shorter due to Thanksgiving. We will be doing special "Thanksgiving Feasts" at each of the schools the week before Thanksgiving break. The menu will consist of Roast Turkey, Mashed Potatoes & Gravy, Glazed Carrots, Focaccia Bread, and Pumpkin Bars for desert! I hope everyone has a safe and fun Thanksgiving Break!

The kitchen staff continues to do a fantastic job! They continually provide hot nourishing meals to the kids for breakfast and lunch. I don't know what we would do without these wonderful ladies and their hard work daily! They always have the kid's best interest at the top of their priorities.

Again, I would like to share how happy I am to be working in a district that cares so much about the students and their nutrition. The ladies in each of our kitchens make this job very rewarding. If there is every any questions or concerns please feel free to contact me. Thank you again! - Darin Schmue DNS
