**SUBJECT:** Consideration for funding for FBLA National Conference

The SFT-FBLA chapter received and earned many honors at their recent FBLA State Leadership Conference. **Eight** SFT-FBLA members qualified for the **Virtual National FBLA Leadership Conference**.

We are asking the BOE to consider paying the **\$65** for the registration fee for each FBLA Member, equaling in total for the board to pay **\$520**. Since this conference is virtual, the members will not be able to travel to a physical conference (the location was supposed to be in Anaheim, California). I believe the cost to compete in a virtual conference is a lot for those students on top of not being to experience the conference to it's fullest. The members would greatly appreciate having the opportunity to compete in this conference.
