

OAC K-3 Handbook Information  
June 2021

Our handbook has drastically changed in the arrangement; however, information has only been formatted consistently, mistakes corrected, and times corrected.

First, you will see that there are sections with like information, rather than an alphabetical arrangement of topics:

- USD 434 Information
  - I shared with Mr. Lentz the many pages of the handbook were copied directly from the board policy book. These policies are now all listed with reference information in the USD 434 Information section.
  
- OAC Information
- Quick Reference
- School Business
- The School Day
- Conduct and Discipline Procedures
- Activity Information
- Appendix I – Discipline Matrix
- Appendix II – Acceptable Use and Technology Policy
- Appendix III – Emergency Safety Intervention Policy
