SUBJECT: Resignation from 1/3 Assistant Football Coach Supplemental

Please accept this memo as my resignation from the position of 1/3 Assistant Football Coach for the 2022-2023 Football Season. I enjoyed my time being part of the coaching staff last season, but after much reflection I have decided to not continue on. More than happy to speak with Coach Fawcett about all that I did last year and provide training to the next person to fill this position.

Thank you and please let me know if you have any questions in regards to my resignation from the 1/3 Assistant Football Coach position.
