

2022-2023 HS activity fundraisers

Baseball Team Fundraising

Gift Card Raffle

Details: The plan is to do a gift card raffle in which student athletes sell tickets for the raffle. If you were on the team last year, it is a very similar fundraiser. There will be two winners for the entire bunch of gift cards. The cards for the two winners will be distributed as evenly as possible. The idea is to be able to do a fundraiser that is efficient and effective. Students will be given the details in a meeting in the fall, probably October, and then be given time to sell tickets. We will complete the drawing before the end of the first semester, probably at a home basketball game.

If players/parents are willing to donate a gift card for the raffle that would be fantastic! This is NOT mandatory. If you are able and willing to donate one then that is great, if not, then no worries. If you do donate a gift card, here is what we ask:

- The gift card is current (does not expire until at least the end of the calendar year)
- The gift card is not used
- The gift card is appropriate for all ages

Please have gift cards to Coach Gloss by _____TBD_____. This will let us know how many additional gift cards we need to get.

Cost of the tickets:

\$5 per ticket or 5 tickets for \$20

Goal:

The goal is for each student athlete to sell \$80 worth of tickets. If there are significant concerns with this, please do not hesitate to reach out to us and we will work with you. We do not want any stress with this. Again, this is a goal. If we are able to raise money for the team, it will allow the team to purchase nice gear for the students such as sweatshirts, practice shirts, etc. By completing the fundraiser in the fall, this will give us time to order this gear, as well as have a much better understanding of our budget going into the season. We will also complete the drawing prior to winter break. This is a great way for people to attempt to win gift cards not only for their own personal use, but also to use as gifts such as Christmas gifts.

Gift Cards:

- \$20 gift card to Cassie's Hair Salon in Baldwin City, Kansas
- \$60 worth of gift cards to Amazon (a \$50 gift card and a \$10 gift card)
- \$50 worth of Gift Cards to Home Depot. (two \$25 gift cards)
- \$25 gift card to Red Robin
- \$50 gift card to Texas Roadhouse
- \$15 gift card to Coldstone Creamery
- \$25 gift card to Lowe's
- \$100 worth of gift cards to Casey's (five \$20 gift cards)

Goal: Have your tickets and money returned by ____TBD_____

Other fundraiser: Feb 17. Concessions at the home basketball game.

Stu Co and Junior Class

The only fundraisers Stuco have are selling calendars and working concession stands. We will use the profits for scholarships.

Junior Class just does concession stands to fund Prom.,

Boys basketball will be doing the same fundraiser that we do every year.

it is the Online campaign through Adrenaline Fundraising to cover any expenses that occur and hopefully eventually replace our Gun Machine Schedule poster that has sponsors on it.

The band will not be having any fundraisers this year through an organization, but we will be selling our old band jackets and the tuba toss game at the football games.

FBLA

The only fundraiser I know of at the moment is selling cookies during the school day. The funds will be used to offset costs for NFLC, district, state, and hopefully national competition fees.

For Yearbook:

Is selling ads a fundraiser that falls under this category of needing approved? If yes, we will sell ads for the Yearbook.

2022-23 Fundraiser Requests to BOE

KAY

KAY will sell Watkins products.

Quality products: consumable home products; seasonings, personal care, home care, health & wellness, environmentally friendly & sustainable products, good variety.

Watkins has been in business for 154 years, a quality company and product, something for everyone, repeat customer requests for KAY. Interested members will take orders from their friends, family, and personal networks. Earnings will help with student fees to Leadership Camp & Conferences.

Girls Golf & KAY

Sertoma Adopt a Duck.

Students will sell adoptions of ducks for the Great Duck Race.

Sertoma will report individual totals as well as the group each student was earning funds for. (Example, a student may be on the Girls Golf Team and also be in KAY. That student may choose to use their earnings for a Golf Team personalized jacket; or they may want to use it for a KAY logo item or for KAY Leadership conference fees.

By participating in this duck adoption fundraiser, financial earnings will benefit our students and our students will also be extending service to other groups in need. Programs of the Sertoma Clubs of Topeka and their sponsorship beneficiaries have included The Easter Capper Foundation, Children's Miracle Network, The Villages, The Marian Clinic, Meals on Wheels, Head Start Programs, LULAC and East Topeka Sr. Center, Safe Streets, KVC, LifeHouse Child Advocacy Center, Ronald McDonald House, TARC, Kansas Big Brothers Big Sisters, Boys & Girls Clubs, Sheep Dog Impact Assistance, hearing health missions, and other worthy causes.

NHS would like to begin selling brownies again. We would sell them for 50 cents each during Activity Period on Thursdays. The money raised from selling them would be used to help fund various projects NHS puts on throughout the year, including but not limited to Winter Formal and Read Across America Day.

Thanks,
Allison Folger
NHS Adviser

Wrestling – our team members will work at the Labor Day picnic that the Goodyear USW Local 307 for their members. We will have two shifts from 8a-12p, and 12p-4p. We help set up/tear down tables/chairs/etc, monitor bounce houses, etc. In turn they donate approximately \$1500 to our high school team. We have done this 3 times prior to covid.

Track

Track would like to sell Track and Field and Charger car stickers (probably made by Kim Stahl). The money is for food for meet days and a board for the commons (I am working on this!!) and a tent to be shared with XC.

Thank you!

Softball is doing a concession stand and then will plan to do a charger gear fundraiser through Kim Stahel (still working out details)
