Curriculum and Assessment Updates - October

Carrie Mugridge

Science Curriculum Committee

- Grades 6-12
- Science teachers are reviewing curriculum samples. Currently, Science Dimensions by HMH is the favorite.
- Next meeting is Thursday, Oct. 13. There will be two curriculum presentations by companies; HMH Science Dimensions, and Discovery Science

Title

- Several meetings with the Title Team
- Created a Title Handbook for the district to use to ensure that we are meeting all federal regulations
- Added Math to Title Services K-8
- Completed LCP Annual Application
- Plans for continued meetings with Title team to refine and define Title

State Assessment Interim

- Teachers used Mini Tests and Predictive tests on KITE with students 3-8 and 10
- Teachers used assessments to teach test-taking strategies and as a formative assessment to drive instruction
