## Curriculum and Assessment Updates - October

### Science Curriculum Committee

- Grades 6-12
- Science teachers are reviewing curriculum samples.
- The next meeting is Thursday, Nov. 17. We will have a curriculum presentation from Inspire Science, McGraw Hill. The plan is to choose our science curriculum for purchase.

### ELA Curriculum

- ELA curriculum team invited to 2nd-semester meetings
- Obtaining ELA samples for teachers that follow Science of Reading and meet Dyslexia Requirements
- The first meeting is Thursday, January 12.

### Professional Development Nov. 7

- District-wide morning meeting beginning year 1 KESA work
- The afternoon was building specific

### Math Curriculum Update

- Meet with curriculum companies to get our quote specific to ensure our curriculum math order will cover our classroom, intervention, and special education teachers' needs.
- Consulting with various districts on what additional items we need for Bridges for our teachers to be successful - storage, supplies, etc.

### Classroom WalkThroughs

- Each day of the week, I spend some time in buildings walking through classrooms and observing teachers, coaching teachers, modeling lessons, and providing support. This time also provides a picture of our needs and future goals.
