## Curriculum and Assessment Updates - September

### Curriculum

- Amplify
  - The inaugural training has concluded, and teachers are now delving into the new curriculum. Our upcoming training sessions are planned for September 18th and November 6th.
- Open Court
  - 90% of our curriculum has arrived and been delivered to classrooms; the Kindergarten Big Books are the only missing components. However, our sales representative has provided us with demo books to utilize until the back-ordered ones are delivered.
  - The initial training session with a live instructor is set for September 18th. It will involve a full day of immersing in the curriculum and acquiring fundamental knowledge.

### TASN

- September 1 was day four of TASN training. We continued a deep dive into the data and continued planning and development for our district priorities:
- District Priorities
  - Rigor - Math and ELA (Student Achievement)
  - Instruction (Staff retention)
  - CTE/IPS
  - SEL

### Assessment

- The Fastbridge assessments are currently in progress, with the testing period active from August 21st to September 1<sup>st</sup>.
