

WHATS HAPPENING AT SAC?

Spring is a busy time of year at the preschool. We are working hard to get students the skills they need before the end of the school year. As we think about the next school year, the preschool is preparing for Kindergarten transitions, pre-enrollment, class placements, preschool operations, and more. We will update you as this information becomes available. Be sure that you are checking your emails, Facebook, and SeeSaw for the most current SAC information. It is important to stay informed of your school's updates.

Students who are moving on to Kindergarten next year should be expecting information about kindergarten round-up soon. OAC will be reaching out to families about this. Kindergarten round-up is scheduled for Friday, April 5th.

We will be having a spring preschool family night on Wednesday, March 27th. We have a fun program planned to help families learn all about the importance of movement in preschool.

Finally, we are gearing up for our SPRING units and can't wait to be outside and play in the dirt. It is Read Across America Day on March 2nd. The High School National Honor Society students will be joining us for the day. We are excited to host them for some interactive literacy events and fun!!!! The preschoolers love when the big kids come to hang out with them!! Stay tuned for pictures on Facebook to showcase our **READ ACROSS AMERICA DAY!!!**
