

## USD 434 Enrollment Projection & Nonresident Enrollment Report

Per K.S.A [72-3123](#), [72-3124](#), and [72-3126](#), before May 1st of each year, the superintendent of schools or designee will develop and submit a recommendation to the board of education declaring the projected enrollment and number of open seats available to nonresident students. By June 1 of each year, the district will publish on its website, at a minimum, the number of students expected to attend the district in the next school year and the number of open seats available to nonresident students. Included in this report are recommended actions the board of education is asked to take to fulfill such statutory requirements.

### Enrollment Projection Determination

This report outlines a collection of data and considerations used to prepare a recommendation to the Board of Education to approve enrollment projections and the number of seats available to nonresident students.
