OVERBROOK ATTENDANCE CENTER - BOE

Principal - Mrs. Lorle Bolt

A message from our principal

Dear Charger Families,

Letters regarding unpaid fees will be coming home with your child for the 2024-2025 school year. We understand that various circumstances can cause delays in payments throughout the year. Before the last day of school we kindly request you pay these fees. Timely fee payment ensures smooth operations and helps us uphold the standard of education at Overbrook Attendance Center. We encourage you to kindly disregard this reminder if you have recently made a payment.

Once fees are paid, report cards and class placements will be mailed to families on Monday, June 2nd. Kindergarten class lists will be created and shared in August before school starts and CAC will share their 4th grade lists with families when schedules are created.

Thank you,
Mrs. Bolt

Upcoming Dates:

5/2: Field Day @ SFTHS

- K/1: 9-11am
- 2/3: 12:30-2:30pm

ESY Summer School

If your child qualified for Extended School Year through special education these services will occur at Carbondale. Lunch will be provided before students return home. You may contact your child's special education teacher for more details.

Location will be **Carbondale Attendance Center**

Times daily from **8:00-11:30 a.m.**

Dates : 3 Weeks Total

Week 1 ESY Dates

June 9-12th 8:00- 11:30a.m.

Week 2 ESY Dates

June 16-19th 8:00-11:30 a.m.

Week 3 ESY Dates

June 23-26th 8:00- 1:30

KinderCamp

I'm pleased to announce that Overbrook Attendance Center will offer KinderCamp to incoming students who turn five on or before August 31, 2025. KinderCamp is specially designed to prepare children for entering school in the fall. Students are engaged in school-day routines, small-group instruction, hands-on centers and activities to further develop fine motor and social skills.

Program Schedule:

KinderCamp

4 days; Monday-Thursday, 8:00am-11:30am

Dates:

July 28-July 31

Lost and Found

All items from the lost and found will be in the front hallway by the main entrance. If your child is missing any items please come take a peek and see if their items are in the lost and found. After the last day of school all items in the lost and found will be donated.

OAC SPECIALS NEWSLETTER

THIS MONTH IN MAY

- **Art-** In May we will be ending the year with fun spring and summer crafts. These kiddos have worked so hard this year in Art! I am SO proud!
- **Explore-** The end of the year is approaching quickly! This month we will be doing a variety of activities that will include a little bit of Science, Technology, Reading, Engineering, Art, and Math! We will also be rounding up all books that students have been checking out. The Library has easily been one of the most popular places this year, and I absolutely LOVE that for our students. We have been able to purchase several new book titles because of the successful Book Fairs this year. I hope everyone has a wonderful Summer Break!
- **Music-** Lots of fun things planned for the month of May! We are finishing off the school year strong with instruments!! Kindergarten and 1st grade are advancing their rhythm and beat recognition skills through classroom instruments such as drums, maracas, triangles, and much more! Meanwhile, 2nd and 3rd grade are exploring the world of Ukuleles!
- **PE:** We are starting the month with Field Day! This year's theme is superheroes. Parents are welcome to attend Field Day and can find out more on the school's Facebook page. It's not too late to sign up!

EVENTS THIS MONTH

Superhero Field Day- May 2nd (Friday)

- K-1st= 9 am - 11 am
- 2nd-3rd= 12:30 pm - 2:30 pm

BOE Goal 5: Budget/Facilities

In collaboration with our custodial team and the district office, we have identified several facility and equipment needs to be considered for capital outlay funding. The following list represents prioritized items essential to maintaining and improving the learning environment and operational functionality of our building:

Facility and Infrastructure Needs:

- Painting in Rooms 137 and 147, gym wall, and application of concrete paint to bathroom floors
- Replacement of carpet in Rooms 140, 141, 147, and 149
- Repair of the existing electrical box
- Replacement of five (5) skylights
- Replacement of Windows

Playground and Outdoor Improvements:

- Installation of playground edging for safety and maintenance
- Grading of existing pea gravel to improve surface conditions

Furniture and Equipment:

- Acquisition of lunchroom tables (in coordination with district resources)
- Installation of a sound system in the music room to support instructional and performance needs

BOE Goal 6: School Safety and Security

We will continue to review and update our crisis response plans, with the addition of a cardiac arrest response protocol for the 2025–2026 school year. These plans will be reviewed with staff at

the beginning of the school year, and scheduled drills will be conducted throughout the year to ensure preparedness and compliance.
